We will use your health passport, so staff know how you need to be supported.

If you do not have a health passport, we can make sure you have help to make one.

We will work with:

You

Your Family and Friends

Carers

Hospital Staff, Community Nurses and Community Staff E.g. Social Workers, Physio.

We can help if you need to stay in hospital.

We can help if you need more visits to the hospital so you can get used to it.

We can help if you need a longer appointment or if you need an appointment at a time that is good for you.

If you stay in hospital, we will make sure you have everything you need before you go home.

We will try to help you know what choices you have.

We can help you to go to your clinic appointment.

We can help you understand what is happening.
